APMPP-IR-2

12 June 1957

SUBJECT: Warehouses 3, 4, and 5, Seattle Transportation Corps
Area, E. Marginal Way, Seattle, Washington

TO: Chief of Engineers
Attn: Assistant Chief of Engineers for Real Estate
Department of Army
Washington 25, D. C.

The Air Force has an urgent need for the subject warehouses for storage activities in connection with the B-52 and Bomarc programs and for other purposes. It is requested, therefore, that the Air Force be granted a five year use and occupancy permit for these warehouses as space therein is made available.
